

## ALTERNATIVE LEARNING ENVIRONMENT

To offer flexible education options to students and families, you need an equally flexible system to administer your alternative learning program. The ALE application provides highly configurable forms, frameworks, and processes while it also helps you maintain state and federal accountability.

Enhance your efficiency and effectiveness: all day-to-day ALE operations, from creating Student Learning Plans to monitoring weekly contact and reviewing monthly progress, are managed in one place and customized to you.

DIFFERENT BY DESIGN

Learning standards, objectives, and student tasks are aligned to your district's goals and policies — everything is customizable.

## WIRED FOR COMPLIANCE

Applicable laws are provided right in the app for easy reference and confirmation of compliance.

## TRANSPARENT COMMUNICATION

Students and parents enjoy their own access portal, so everyone is informed and connected.

## ULTIMATE FLEXIBILITY FOR YOUR ALTERNATIVE LEARNING

THE OPTIONS FAMILIES WANT. THE COMPLIANCE DISTRICTS NEED. AND THE EFFICIENCY EDUCATORS HAVE BEEN WAITING FOR.
