

## Attendance Contract

Date: **10/13/2020**

Student Name: **Barry Livingston**

DOB: **2010-04-10**

Parent/Guardian Name: **Livingston, Warren**

Previously, we created an Attendance Success Plan to establish attendance goals and strategies to reach those goals. As a school/district, we want to keep working together with you to try to remove barriers and identify resources to support your student in attending school regularly. All schools are required to take daily attendance and to notify you when your student has an unexcused absence. If your student has **5 unexcused absences in a month or 7 unexcused absences in a school year**, by law, the parent and school must enter a contract to improve the student's attendance. This contract may be completed with school staff or with our Community Truancy Board.

Additional Notes:

Washington State's truancy law, known as the Becca Bill, requires the school/district and the juvenile court to take specific actions when youth are truant. If the student does not follow these Attendance Contract recommendations, the School District may file an amended petition that requires the student and parent to appear in court.

By signing this agreement, all parties involved agree to the terms of this contract/agreement.
